After this we will have a visit from *Santa*. He will get to talk to each child and have a special little treat for them.

Party food will be prepared and served after Santa leaves.

*This year we are trialling purchasing the party food so that children with allergies can participate safely in this celebration. Families will be charged \$5 per child and this will be billed to your account. If you are able to help out on the day with the preparation of the food please let us know – there will be quite a bit of food to prepare for the children. We aim to make this a fun party with lots of healthy options to choose from.*
