Implementation

- On occasion, children who are not enrolled at our service may be present at the service.
- An example of this is when families come to pick up an enrolled child and they bring their other children with them.
- At times like this, the children who are not enrolled at the service are the responsibility of the adult that brought them to the service.
- We ask these adults to keep unenrolled children off any equipment at the service, and for the child to be accompanied by the adult at all times.
- Should a child who is not enrolled at the service attend an excursion with the service, they may only attend should the adult to child ratio not be compromised for enrolled children.
- Any child that is enrolled at the service on a temporary basis will be included in the educator/child ratios.
